

To All My Loyal Customers

Many of you may have already known, we are in the process of looking for a new location.

As of October 1st. we will no longer be in operation for business. I need to use the month of October to move all of our equipment out of our current building as the Developers have given us an extra 30 days.

Until we can find another location, many of you will still need to have your vehicles serviced. I have arranged with Jim Ward at Ward Service to handle all your automotive needs, as we have in the past, at this time.

Until we can find another location, I will contact all my customers thru regular postal service and information on our website.

I have attached a map to Ward Service and their contact information below.

Thank you for trusting our facility with all your automotive needs.

Sincerely,

Alex Romo
